

Everyone,

I went into my board at 0800 in the AC & R shop (Air Conditioning and Refrigeration) and got out of my board at approx 1045 this morning. I came out as CTR3 (SW) Graham. I officially passed my Oral examination and am now awaiting my chit to come back and then to have my "pinning ceremony". I just wanted to let you all know.

V/r,

CTR3 Jeffrey M. Graham  
USS BATAAN HITS TRAINER  
HITS OPERATOR
