Hello,

Not a very long one this time, but there is plenty of work to be done today lol...We are back underway steaming ahead again, but at least we are approx 3 weeks into deployment already... Only another 15-18 weeks to go or something...Hell I don't know anymore... I try not to count because it feels like it goes by faster if I don't focus on it. So what have you been up to? How are things with you? So on my end, I got to go see the Coliseum, Pantheon, Palestine Hill, and cruise around Rome. I can't really complain since I never would have been able to go if I weren't in the Military. Next port should be pretty cool too! I will make sure to send you pictures and hopefully we can talk again shortly. Miss you all and take care!
